Dear Sir:

Greetings of Christ's Peace!

This is in relation with our complaint, dated March 20, 2009, regarding the abduction and murder of our loved ones Julito Quirante, 48, and Ronel Raguing, 26, by suspected 79th IB soldiers in Brgy. Nagbinlod, Sta. Catalina, Negros Oriental.

As we continue our search for justice, we would like to seek financial, material and any other assistance from your office to help defray expenses incurred in the process.

We also seek your support in keeping us safe from further harassment and retribution by elements of the 302nd Infantry Brigade.

Sincerely Yours,
