Rev. Fr. Robert Reyes

Dear Father,

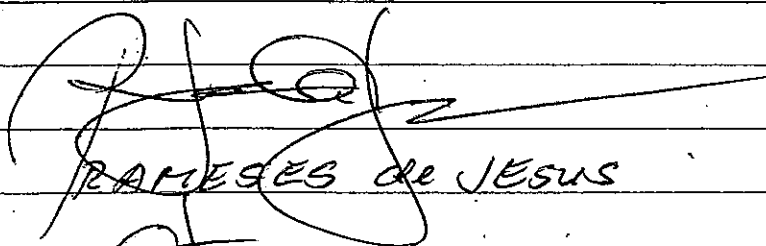

Greetings of love and peace comes  
to you in the name of the Lord!

We are the so called Obadilean 5, who  
has been languishing in Prison for twelve  
(12) long years in spite of being unjustly  
charged, sentenced to death and affirmed  
with modification to reclusion perpetua  
upon repeal of the Death Penalty Law.

We recognize the sacrifices and efforts  
you had been doing, our beloved Father,  
it is our gratitude!

In view of the foregoing, may we  
modestly plead for compassion and help  
from the most reverend father.

We are grateful for any favor or  
preference the most reverend father may  
extend on the matter.
