Dear Sir ,

We the under signed resident of Jinna Nagar , G.N. Division wish to bring the following feet for consideration and redress

- # we are manual laborers breaking stone along the bottom of the heel range of 64<sup>th</sup> mill post in mutur D.S. area
- # Our generation in doing the same lab our work for more than (60) sixty years.
- # we have not changed our life style and type of working cap acing up to date.
- # we run our day to day life smoothly from this earning .
- # we were forced to leave the village in august 2006 and accommodated in well fore centers nearly .
- # we were allowed in berate stone to the same location burning the period of our year when we were in the welfare endures.
- # we were brought boucle for resettleman and assured to continue the work in the same locality.
- # one month ago mutur police informed us not to continue the work further of not we will be arrested they added .
- # Earlier one of the buddart monde also warned us and agreed to give us weelevy dry ration
- # when we brought bale for unsettlement assurance was given to centime the same work but now it is denied for no reason.
